

G

MEMORANDUM FOR: [REDACTED]

FROM: [REDACTED] - G

SUBJECT: Project ANTICORRE

1. You will recall that the handling of the above project for the past year has been considerably confused and that a number of efforts have been made to put sufficient order into the project so that some concrete results could be accomplished.

A

2. Attached is a memorandum dated 14 July 1952 in which concerned on your behalf, recommending that over-all responsibility for this Project be transferred from G-1 to G-3, and that responsibility for the necessary supporting research be transferred to the G-3 branch of G-3 under the supervision of [REDACTED] and [REDACTED]. All one of the technique or other activities in the [REDACTED] will be under the complete control of the Senior G-3 representative in any area concerned.

G

3. As you are aware, coordination of this project on behalf of [REDACTED] has been assigned for the past year to the [REDACTED]. It is not believed that there is any functional reason why this Project should be handled by the [REDACTED]. The basic participation in the Project involves the exercise of an operational CI and operational security judgment. This matter has been discussed with the [REDACTED] and [REDACTED] and it is the consensus that the [REDACTED] responsibility for the Project should be transferred at this time to [REDACTED].

AGENCY

G

4. It is recommended that you authorize the transfer of this Project from G-1 to G-3 to [REDACTED].
